Performance Results

Strengths

2017 scores

- School percentages for Meets plus Exceeds in all content areas were higher than the state
- 33% of the students scored Exceeds on the PASS Science state test
- 80% of the students in 6th and 7th grade scored Met plus Exemplary on the SS PASS test
- 100% of the students passed the English 1 and Algebra 1 EOC

Performance Goals

- Increase the number of students who pass the state test by 1% in each subject area.
- Maintain 100% students passing the Algebra 1 and English 1 EOC.
- Increase the number of perfect scores 1% on the Algebra 1 and English 1 EOC.
- Decrease the gap between subgroups by 1%.
- Increase the number of Junior Scholars by 5%.
- Further enhance the digital transformation by continuing to increase meaningful integration during our instructional practice.

Updated Activities

Rainbow Lake Middle School will:

- Provide STEM classes, collaborative learning and integration of technology to develop the world-class skills and career characteristics of the SC Profile of the Graduate.
- Utilize common formative assessments, summative assessments, benchmarks, TLT’s, and data meetings to identify and remediate students’ weaknesses and strengths.
- Revisit and revise our Positive Behavior Interventions and Supports (PBIS) program to improve behavior and reduce office referrals.
- Utilize RTI and Guided Instruction to provide interventions and differentiation that meet academic and behavioral needs.
- Continue Project Based Learning as a member of Transform SC.
- Continue TLT’s in order to support collaboration and improve instruction and student learning.
- Conduct data meetings 2 times a year with Chesnee Middle School.
- Maintain efforts to provide a high quality digital learning environment.
- Utilize devices to enhance classroom instruction, including Canvas, as a learning management system.
